# *Tennessee Boiler Safety Fall Conference*

## *MeadowView Marriott Resort Kingsport, TN September 11-13, 2007*

Hello,

The Tennessee Boiler Safety Conference Committee is proud to announce the 5<sup>th</sup> Annual Tennessee Boiler Safety Fall Conference. As with every conference, following the conference golf tournament and reception on the 11<sup>th</sup>, the meetings and training sessions on the 12<sup>th</sup> & 13<sup>th</sup> has been opened to members of industry. We are looking forward to individuals from various insurance, repair, manufacturing and operation companies to be attending the conference.

The agenda for Wednesday and Thursday will be filled with meetings and training beneficial to all in attendance. Starting off on Wednesday, everyone will have the opportunity to attend the quarterly meeting of the Tennessee Board of Boiler Rules, followed by training that will be conducted with respected speakers of our industry. Training will continue Thursday morning with an in-depth session on the NBIC and its structure, plus more training covering the inspection and operation of boilers and pressure vessels.

This year's conference will be held at the scenic MeadowView Marriott Resort located in the hills of beautiful Kingsport, Tennessee. For your convenience, below you will find the contact information for the MeadowView Marriott and other hotels in the immediate area. Also to the right you will notice a tentative agenda of the conference meetings and training sessions.

The theme of this year's conference is: ***"Boiler Safety: Prevention Today for a Safer Tomorrow"***. Let's all get together again for another successful conference promoting boiler and pressure vessel safety here in Tennessee. I hope to see you in September.

Sincerely,

Martin R. Toth  
Chief Boiler Inspector
